Grant Outcomes

Grant outcomes as written by grantees in grant proposal. All that have been entered through the grantee portal are contained here.

Theme	Year	Grant	Outcome
Atrocity Prevention	2018	13195 - Mercy Corps - An Emerging Conflict in the Grand Kasais Region of DRC: Understanding the Root Causes and Preventing Future Waves of Violence	Identifying the root causes of conflict in the Grand Kasais region; and
Atrocity Prevention	2018	13195 - Mercy Corps - An Emerging Conflict in the Grand Kasais Region of DRC: Understanding the Root Causes and Preventing Future Waves of Violence	Providing evidence-based recommendations for local, national, and regional/international policymakers, and implementing organizations to mitigate conflict and prevent future violence, enabling communities to rebuild social ties and recover.
Atrocity Prevention	2018	13195 - Mercy Corps - An Emerging Conflict in the Grand Kasais Region of DRC: Understanding the Root Causes and Preventing Future Waves of Violence	Test
Atrocity Prevention	2018	13662 - Fortify Rights - Strengthening Collective Responses to Mass Atrocities Committed against the Rohingya	Increased credible and comprehensive independent documentation of atrocities and continuing violations against Rohingya in Myanmar and the region.
Atrocity Prevention	2018	13662 - Fortify Rights - Strengthening Collective Responses to Mass Atrocities Committed against the Rohingya	Increased engagement by the international community and the governments in Southeast Asia towards establishing accountability mechanisms for perpetrators of atrocities and protection for Rohingya survivors of atrocity crimes.
Atrocity Prevention	2018	13662 - Fortify Rights - Strengthening Collective Responses to Mass Atrocities Committed against the Rohingya	Increased opportunities, access, coordination, protection, and support for Rohingya human rights defenders and Rohingya survivors of atrocities.
Atrocity Prevention	2018	13663 - Nonviolent Peaceforce - General Operating Support	Outcome 1: Increased field activities in current programme locations by an overall total of 25%
Atrocity Prevention	2018	13663 - Nonviolent Peaceforce - General Operating Support	Outcome 2: UCP field activities are implemented in a minimum of one new country
Atrocity Prevention	2018	13663 - Nonviolent Peaceforce - General Operating Support	Outcome 3: Improved quality of programme management
Atrocity Prevention	2017	9519 - Videre est Credere - General Operating Support	Access to a hardened evidence base strengthens and informs the work of key local, regional and international stakeholders to promote transparency and accountability for political violence, ethnic persecution and hate speech.
Atrocity Prevention	2017	9519 - Videre est Credere - General Operating Support	Activist researchers in oppressed communities use Videre's methodology to document, verify and expose footage and other visual evidence of political violence, ethnic persecution and hate speech.
Atrocity Prevention	2017	9519 - Videre est Credere - General Operating Support	Enhanced research, security and tech capacity further strengthens Videre's model whilst deepening the impact and the reach of our work.
Atrocity Prevention	2017	9519 - Videre est Credere - General Operating Support	The patterns, motives and chains of command behind political violence, ethnic persecution and hate speech are evidenced through greater analysis and cross-referencing of footage captured on the ground with open-source, deep-net and forensic financial inve
Atrocity Prevention	2016	9062 - Global Centre for the Responsibility to Protect - General Tax Exempt Activities	Mobilizing International Response
Atrocity Prevention	2016	9062 - Global Centre for the Responsibility to Protect - General Tax Exempt Activities	Monitoring, Analyzing and Researching R2P Situations
Atrocity Prevention	2016	9062 - Global Centre for the Responsibility to Protect - General Tax Exempt Activities	Strengthening Institutional Architecture

Theme	Year	Grant	Outcome
Inform and Support Early Action	2019	13828 - New Venture Fund - Civilian Protection Opportunities Fund	Help increase the real-time, on-the-ground protection, recovery, rehabilitation, and thus the enhanced safety and well-being of civilians and communities in target areas
Inform and Support Early Action	2019	13897 - Integrated Regional Information Networks - General Operating Support	Decision-makers in atrocity prevention and crisis response are better informed about the realities on the ground.
Inform and Support Early Action	2019	13897 - Integrated Regional Information Networks - General Operating Support	The general public is made more aware of atrocities.
Inform and Support Early Action	2019	13897 - Integrated Regional Information Networks - General Operating Support	There is increased evidence and story-telling available that provide transparency and accountability for the humanitarian response sector.
Inform and Support Early Action	2019	13970 - Harvard School of Public Health - Signal Program on Human Security and Technology	Develop the training curriculum for a professional education workshop for humanitarian leaders/actors on the theory, ethics, methodology, standards of practice and cases of next-generation mass atrocity detection, prevention, and response.
Inform and Support Early Action	2019	13970 - Harvard School of Public Health - Signal Program on Human Security and Technology	Revise and improve definitions and applications of ethical and accountable technologies to improve humanitarian response to refugee crises, from migration to early management.
Inform and Support Early Action	2019	13970 - Harvard School of Public Health - Signal Program on Human Security and Technology	Strengthen the core theory of near-term, 0-3 month parameter early warning and response in conflict environments.
Inform and Support Early Action	2019	13970 - Harvard School of Public Health - Signal Program on Human Security and Technology	The translation of Signal Code guidelines into specific, measurable standards for organizational implementation.
Inform and Support Early Action	2019	13970 - Harvard School of Public Health - Signal Program on Human Security and Technology	Update guidelines for UAV-supported conflict monitoring protocols with explicit attention toward fragile state and conflict area deployments.
Inform and Support Early Action	2019	13988 - Every Casualty - General Operating Support	Four CRN members have been collaboratively assessed on the feasibility of effective Standards implementation, and received specific recommendations on improving compliance.
Inform and Support Early Action	2019	13988 - Every Casualty - General Operating Support	States and IGOs have demonstrated an increased understanding of and support for casualty recording, its practitioners and the Standards.
Inform and Support Early Action	2019	13988 - Every Casualty - General Operating Support	The Casualty Recorders' Network ('the CRN') has expanded, and increased its internal peer-support activities and external impact.
Inform and Support Early Action	2019	14017 - Airwars - General Operating Support	Building and maintaining public access to and awareness of civilian harm data.
Inform and Support Early Action	2019	14017 - Airwars - General Operating Support	Development of an evolving set of recommendations and best practices on civilian harm monitoring to be used in future conflicts by individual and united allies.
Inform and Support Early Action	2019	14017 - Airwars - General Operating Support	Establishing military advocacy engagement with the US's key military partners towards increasing their own transparency and accountability.
Inform and Support Early Action	2019	14017 - Airwars - General Operating Support	Further development and improvement of our database and the website as a key independent, open and credible resource on civilian casualty events.
Inform and Support Early Action	2019	14017 - Airwars - General Operating Support	Further direct military advocacy engagement with the US-led Coalition, and more broadly the US Department of Defense and individual militaries.
Inform and Support Early Action	2019	14017 - Airwars - General Operating Support	Increase the accuracy and effectiveness of the US military's own civilian casualty monitoring.
Inform and Support Early Action	2019	14017 - Airwars - General Operating Support	Pursuing professional development, organisational and financial sustainability.
Inform and Support Early Action	2019	14155 - Orange Door Research - Mobile Phone Polling in Conflict Zones	1. Early Warning: Local CSOs in Nigeria and the DRC report greater access to and utilization of accurate, actionable, real-time early warning data about local conflict trends.

Theme	Year	Grant	Outcome
Inform and Support Early Action	2019	14155 - Orange Door Research - Mobile Phone Polling in Conflict Zones	2. Early Action: Local CSOs in Nigeria and the DRC report undertaking both more unilateral and coordinated off-line early action in response to the early warning data, utilizing the Orange Door Research platform to share analysis and plan response.
Inform and Support Early Action	2019	14155 - Orange Door Research - Mobile Phone Polling in Conflict Zones	3. Learning: A diverse range of partners / actors participate in the further development of and use of Orange Door Research's guidelines and lessons-learned toolkit.
Inform and Support Early Action	2019	14160 - New York University - Kivu Security Tracker at Congo Research Group	CRG's research, mapping, and analysis helps key audiences (e.g., policymakers, the media, and members of the public) gain a more-detailed understanding of the dynamics of armed violence in the Kivus.
Inform and Support Early Action	2019	14160 - New York University - Kivu Security Tracker at Congo Research Group	Information generated by the KST and CRG's analyses of armed violence in eastern Congo are more widely available to and used by key audiences
Inform and Support Early Action	2019	14178 - Peace Direct UK - Rapid and Flexible Funding to Strengthen Local Atrocity Prevention and Response	1. Peace Direct will establish an innovative and responsive grantmaking mechanism aimed at supporting local atrocity prevention and response efforts.
Inform and Support Early Action	2019	14178 - Peace Direct UK - Rapid and Flexible Funding to Strengthen Local Atrocity Prevention and Response	2. Local groups and organisations involved in atrocity prevention, response and peacebuilding efforts will be strengthened through greater networking, opportunities for collaboration, joint learning and strategizing.
Inform and Support Early Action	2019	14178 - Peace Direct UK - Rapid and Flexible Funding to Strengthen Local Atrocity Prevention and Response	3. Local groups and organisations involved in atrocity prevention, response and peacebuilding efforts will respond earlier to warning signs in their communities and will be able to test new and innovative approaches to atrocity prevention response
Inform and Support Early Action	2019	14178 - Peace Direct UK - Rapid and Flexible Funding to Strengthen Local Atrocity Prevention and Response	4. Policymakers and donors will be better informed about the risks of violence and potential atrocities and will have invested in the actions needed to tackle these risks.
Inform and Support Early Action	2018	13101 - Refugees International - General Operating Support	Donors, UN agencies, and international NGOs implement new or adapt existing programs to better assist refugees and IDPs through sustainable, community-led, and durable programs with a special focus on strengthening civil society's resources and capacities
Inform and Support Early Action	2018	13101 - Refugees International - General Operating Support	Short-Term Outcome #2: Funding for international humanitarian assistance increases for programs addressing the needs and human rights of the most vulnerable refugees and IDPs on whose behalf we advocate.
Inform and Support Early Action	2018	13101 - Refugees International - General Operating Support	Short-Term Outcome #4: Specific programs are implemented that result in better protection of women and girls in priority countries, and improved prevention of and response to GBV-related incidents.
Inform and Support Early Action	2018	13101 - Refugees International - General Operating Support	Short-Term Outcome #5: Those facing protracted displacement from natural disasters are provided with increased durable solutions and protection measures in a manner that respects their rights and dignity.
Inform and Support Early Action	2018	13101 - Refugees International - General Operating Support	Short Term Outcome #3: Critical U.S. government programs supporting refugee protection and assistance will be sustained or strengthened.
Inform and Support Early Action	2018	13194 - Invisible Children - Community Networks to End Cross-border Threats (CONNECT)	ICCSS has an increased capacity to effectively implement and manage community protection and resilience programming in southwestern South Sudan
Inform and Support Early Action	2018	13194 - Invisible Children - Community Networks to End Cross-border Threats (CONNECT)	International civilian protection actors deploy more frequent and effective responses to cross-border protection threats in the region, with the help of increased access to timely and quality regional security-focused data and analysis
Inform and Support Early Action	2018	13194 - Invisible Children - Community Networks to End Cross-border Threats (CONNECT)	Local civil society partners and community leaders in DRC, CAR, and SS more frequently and effectively employ cross-border collaboration efforts in response to security and protection threats and needs, including support to armed group escapees
Inform and Support Early Action	2018	13194 - Invisible Children - Community Networks to End Cross-border Threats (CONNECT)	Peace Committees within target communities in South Sudan employ community protection and resilience strategies more frequently and more effectively
Inform and Support Early Action	2017	9542 - International Crisis Group - General Operating Support	Outcome 1: Strengthening real-time, field-based analysis and targeted policy prescriptions..

Theme	Year	Grant	Outcome
Inform and Support Early Action	2017	9542 - International Crisis Group - General Operating Support	Outcome 2: Engaging in targeted, high-level advocacy with the AU, UN, EU and other regional actors in order to influence policy and high level-discussions and decision-making
Inform and Support Early Action	2017	9542 - International Crisis Group - General Operating Support	Outcome 3: Formulating and informing sound policies and advocacy responses that enable the successful implementation of peace processes and accords at the local, regional and global levels
Inform and Support Early Action	2017	9542 - International Crisis Group - General Operating Support	Outcome 4: Using ICG's established influence and networks to increase media awareness and engagements on major conflicts, emerging conflicts and under reported conflicts and humanitarian emergencies
International Response	2018	13195 - Mercy Corps - An Emerging Conflict in the Grand Kasais Region of DRC: Understanding the Root Causes and Preventing Future Waves of Violence	Identifying the root causes of conflict in the Grand Kasais region; and
International Response	2018	13195 - Mercy Corps - An Emerging Conflict in the Grand Kasais Region of DRC: Understanding the Root Causes and Preventing Future Waves of Violence	Providing evidence-based recommendations for local, national, and regional/international policymakers, and implementing organizations to mitigate conflict and prevent future violence, enabling communities to rebuild social ties and recover.
International Response	2018	13195 - Mercy Corps - An Emerging Conflict in the Grand Kasais Region of DRC: Understanding the Root Causes and Preventing Future Waves of Violence	Test
International Response	2018	13662 - Fortify Rights - Strengthening Collective Responses to Mass Atrocities Committed against the Rohingya	Increased credible and comprehensive independent documentation of atrocities and continuing violations against Rohingya in Myanmar and the region.
International Response	2018	13662 - Fortify Rights - Strengthening Collective Responses to Mass Atrocities Committed against the Rohingya	Increased engagement by the international community and the governments in Southeast Asia towards establishing accountability mechanisms for perpetrators of atrocities and protection for Rohingya survivors of atrocity crimes.
International Response	2018	13662 - Fortify Rights - Strengthening Collective Responses to Mass Atrocities Committed against the Rohingya	Increased opportunities, access, coordination, protection, and support for Rohingya human rights defenders and Rohingya survivors of atrocities.
International Response	2018	13663 - Nonviolent Peaceforce - General Operating Support	Outcome 1: Increased field activities in current programme locations by an overall total of 25%
International Response	2018	13663 - Nonviolent Peaceforce - General Operating Support	Outcome 2: UCP field activities are implemented in a minimum of one new country
International Response	2018	13663 - Nonviolent Peaceforce - General Operating Support	Outcome 3: Improved quality of programme management
International Response	2017	9519 - Videre est Credere - General Operating Support	Access to a hardened evidence base strengthens and informs the work of key local, regional and international stakeholders to promote transparency and accountability for political violence, ethnic persecution and hate speech.
International Response	2017	9519 - Videre est Credere - General Operating Support	Activist researchers in oppressed communities use Videre's methodology to document, verify and expose footage and other visual evidence of political violence, ethnic persecution and hate speech.
International Response	2017	9519 - Videre est Credere - General Operating Support	Enhanced research, security and tech capacity further strengthens Videre's model whilst deepening the impact and the reach of our work.
International Response	2017	9519 - Videre est Credere - General Operating Support	The patterns, motives and chains of command behind political violence, ethnic persecution and hate speech are evidenced through greater analysis and cross-referencing of footage captured on the ground with open-source, deep-net and forensic financial inve
International Response	2016	9116 - Oxfam America - Civilian Protection: Improving the Humanitarian System	Local actors in countries affected by complex crises are better able – including through increased direct funding and support – to prevent and respond to the impact of atrocities and conflict on civilians through both programming and advocacy.

Theme	Year	Grant	Outcome
International Response	2016	9116 - Oxfam America - Civilian Protection: Improving the Humanitarian System	Obstacles to the participation of local actors and members of the diaspora – including as a result of attacks on NGO space and exclusion from the financial sector – are challenged and removed to enable civil society to operate more freely and effectivel
Outside of Strategy	2019	14263 - Energy Peace Partners, LLC - Powering Peace Initiative	Better informed UN decision makers and policy makers, based on new research on Mali and UN institutional energy practices and policies.
Outside of Strategy	2019	14263 - Energy Peace Partners, LLC - Powering Peace Initiative	Key UN decision-makers, member states, departments, or agencies provide increased political support and buy-in for a transition to renewable energy systems.
Outside of Strategy	2019	14311 - Auschwitz Institute for Peace and Reconciliation - Educational Policies for the Prevention of Mass Atrocities	Enhanced capacity of the public education system in Brazil to combat prejudices and different forms of violence while promoting the value of diversity and democratic culture among younger generations
Outside of Strategy	2019	14311 - Auschwitz Institute for Peace and Reconciliation - Educational Policies for the Prevention of Mass Atrocities	Improved awareness and experience following the comparative evaluation of project work in El Salvador and Brazil to inform capacity and strategic plans for future programs on integrating educational policies in governmental efforts for atrocity prevention
Outside of Strategy	2019	14311 - Auschwitz Institute for Peace and Reconciliation - Educational Policies for the Prevention of Mass Atrocities	Increased generalized use of the toolkit on Citizenship, Memory, and a Culture of Peace EPP produced in El Salvador, equipping teachers to teach citizenship education and a culture of peace along with the official curricula
Strengthen Civilian Protection	2019	13822 - Proteus Fund - Human Rights Funders Network	1.Better relationships: Human rights funders have stronger and more trusted relationships with each other, human rights activists and practitioners.
Strengthen Civilian Protection	2019	13822 - Proteus Fund - Human Rights Funders Network	2.More knowledge: Human rights funders are more knowledgeable about effective grantmaking practices, human rights trends and the human rights funding landscape, the shifting context of philanthropy and their own value-add.
Strengthen Civilian Protection	2019	13822 - Proteus Fund - Human Rights Funders Network	3.Shared vision for human rights grantmaking: Human rights funders have a shared vision of effective grantmaking—one that is influenced by human rights movements, adaptive, risk-taking and informed by context and evidence.
Strengthen Civilian Protection	2019	13822 - Proteus Fund - Human Rights Funders Network	4.More informed and effective grantmaking: Human rights funders decide how and what to fund in ways that are influenced by human rights movements, informed by context and evidence, risk-taking and adaptive.
Strengthen Civilian Protection	2019	13822 - Proteus Fund - Human Rights Funders Network	5.Peer-informed and collaborative grantmaking: Human rights funders decide how and what to fund in coordination and collaboration with peer funders and informed by joint learning.
Strengthen Civilian Protection	2019	13822 - Proteus Fund - Human Rights Funders Network	6.Greater field influence: Human rights funders, both individually and collaboratively, influence other philanthropic sectors to expand funding for human rights with a focus on emerging issues and funding gaps.
Strengthen Civilian Protection	2019	13828 - New Venture Fund - Civilian Protection Opportunities Fund	Help increase the real-time, on-the-ground protection, recovery, rehabilitation, and thus the enhanced safety and well-being of civilians and communities in target areas
Strengthen Civilian Protection	2019	14054 - Doctors Without Borders - Support for the Humanitarian Response Team	1) A strengthened Humanitarian Representations Team will improve the organization's internal capacity, communication, and coordination of its work, which will in turn better support the needs of MSF field teams.
Strengthen Civilian Protection	2019	14054 - Doctors Without Borders - Support for the Humanitarian Response Team	2) A strengthened HRT will lead MSF's humanitarian diplomacy to obtain unhindered access to populations at risk, to reduce security threats when possible, and to have access to high level contacts in the US & governments in the event of security incidents
Strengthen Civilian Protection	2019	14209 - Mercy Corps - Conflict Sensitivity and Violence Reduction in Humanitarian Action	Changes to key government and institutions' policies, strategies, funding priorities show increased commitment and investment to advancing peace in complex crises through activities that promote peace, reduce violence, tackle underlying conflict drivers.
Strengthen Civilian Protection	2019	14209 - Mercy Corps - Conflict Sensitivity and Violence Reduction in Humanitarian Action	Mercy Corps designs and pilots innovative approaches to conflict-sensitive humanitarian assistance, violence reduction, and conflict prevention in complex, protracted crises in selected areas of 6 target countries.
Strengthen Civilian Protection	2019	14209 - Mercy Corps - Conflict Sensitivity and Violence Reduction in Humanitarian Action	Mercy Corps informs and shapes global best practice through documentation and sharing of learning and research about effective approaches to reducing and preventing violence in the midst of humanitarian crisis.

Theme	Year	Grant	Outcome
Strengthen Civilian Protection	2019	14209 - Mercy Corps - Conflict Sensitivity and Violence Reduction in Humanitarian Action	Mercy Corps integrates conflict sensitivity and peacebuilding M&E indicators and tools into integrated humanitarian assistance and peacebuilding programs.
Strengthen Civilian Protection	2019	14209 - Mercy Corps - Conflict Sensitivity and Violence Reduction in Humanitarian Action	Staff in 10 conflict-affected countries have the knowledge, skills, and technical resources to analyze conflict dynamics, implement conflict-sensitive humanitarian assistance, design and implement violence reduction and conflict prevention activities.
Strengthen Civilian Protection	2019	14215 - International Refugee Rights Initiative - General Operating Support	Build consensus around previous experiences and potential mechanisms with a view to enhancing institutional capacity to respond to situations of mass atrocity, with a particular focus on African regional mechanisms.
Strengthen Civilian Protection	2019	14215 - International Refugee Rights Initiative - General Operating Support	The voices of civilians affected by mass atrocity gain higher profile in other international fora with a particular focus on the AU with a view to promoting political will to intervene
Strengthen Civilian Protection	2019	14219 - Overseas Development Institute - Support to the Humanitarian Policy Group	Humanitarian advocacy and engagement on behalf of people affected by crisis are situated in historical and current good practice.
Strengthen Civilian Protection	2019	14219 - Overseas Development Institute - Support to the Humanitarian Policy Group	Humanitarian policies, operations and activities are informed by deeper understanding of the impact of new technologies on the coverage of humanitarian needs.
Strengthen Civilian Protection	2019	14219 - Overseas Development Institute - Support to the Humanitarian Policy Group	Humanitarian policies, operations and activities are informed by evidence to become inclusive and needs-based.
Strengthen Civilian Protection	2019	14219 - Overseas Development Institute - Support to the Humanitarian Policy Group	Humanitarian policies, operations and activities are more aware of and informed by an understanding of changing gender roles and norms.
Strengthen Civilian Protection	2019	14220 - International Peace Institute - Inclusive Participation, Protection and Prevention	The POC and WPS Programs increased their capacity to conduct research, provide policy advice, and communicate externally, and leveraged timely and innovative opportunities.
Strengthen Civilian Protection	2019	14220 - International Peace Institute - Inclusive Participation, Protection and Prevention	The UN and its Member States are better informed on best practices related to POC and develop more precise, impact-driven and accountable approaches, policies, guidelines, and trainings that will result in improved civilian protection by peace operations.
Strengthen Civilian Protection	2019	14220 - International Peace Institute - Inclusive Participation, Protection and Prevention	The WPS Program is better able to support the mainstreaming of women across IPI's peace and security work, and women are elevated in the POC agenda and discourse.
Strengthen Civilian Protection	2018	13064 - Human Rights Watch - General Operating Support and Program Support	Increased information on and awareness of abuses against children globally. We will focus on children and armed conflict; child labor; access to education; children deprived of liberty; and unaccompanied migrant children.
Strengthen Civilian Protection	2018	13064 - Human Rights Watch - General Operating Support and Program Support	Increased information on and awareness of abuses against people in crises. We will address precursors to mass violence; serious abuses; civilian protections and access to humanitarian aid in conflict; and justice and accountability for grave crimes.
Strengthen Civilian Protection	2018	13064 - Human Rights Watch - General Operating Support and Program Support	Increased information on and awareness of abuses against people with disabilities. We will address barriers to education; violence against women and children with disabilities; shackling in institutions and prisons; and inclusive humanitarian responses.
Strengthen Civilian Protection	2018	13064 - Human Rights Watch - General Operating Support and Program Support	Increased information on and awareness of abuses related to the global economy. We will address predatory practices against the poor; global Internet freedom and privacy online; rollbacks in business regulations; and abuses in development.
Strengthen Civilian Protection	2018	13064 - Human Rights Watch - General Operating Support and Program Support	Increased information on and awareness of accountability for genocide and crimes against humanity before international, national, and hybrid courts. We will focus on extending the reach of justice and promoting accountability for the worst crimes.
Strengthen Civilian Protection	2018	13064 - Human Rights Watch - General Operating Support and Program Support	Increased information on and awareness of human rights abuses committed worldwide. Conduct approximately 200 projects each year on topics ranging from discrimination to genocide and advocate for the abuses we uncover to end.

Theme	Year	Grant	Outcome
Strengthen Civilian Protection	2018	13064 - Human Rights Watch - General Operating Support and Program Support	There is increased evidence available about abuses against lesbian, gay, bisexual, and transgender people. We will protect LGBT people's rights to safety, privacy, and autonomy, and push to mainstream their rights in international human rights norms.
Strengthen Civilian Protection	2018	13064 - Human Rights Watch - General Operating Support and Program Support	There is increased evidence available about abuses against women and girls globally. We will address labor conditions for women workers; women's and girls' right to reproductive healthcare and family planning; and supporting survivors of violence.
Strengthen Civilian Protection	2018	13100 - InterAction - Influencing Policy and Practice to Enhance Protection in Armed Conflict	Increased inter-agency collaboration in support of collective strategies and IASC Protection Policy implementation.
Strengthen Civilian Protection	2018	13100 - InterAction - Influencing Policy and Practice to Enhance Protection in Armed Conflict	More informed U.S. policy discourse on the protection of civilians and applicable international humanitarian law
Strengthen Civilian Protection	2018	13100 - InterAction - Influencing Policy and Practice to Enhance Protection in Armed Conflict	The documentation and dissemination of learning on the implementation of results-based protection supports the learning agenda of the Results-Based Protection Learning Network and contributes to a strategic cultural shift in the humanitarian system to ach
Strengthen Civilian Protection	2018	13102 - Search for Common Ground - Support for the Global Affairs and Partnerships Department	Government and multilateral officials' responses to critical cases of potential or ongoing violent conflict are informed by peacebuilding analysis, experience, and evidence.
Strengthen Civilian Protection	2018	13102 - Search for Common Ground - Support for the Global Affairs and Partnerships Department	The peacebuilding field builds and maintains its capacity to credibly engage policymakers across a range of atrocity prevention issues.
Strengthen Civilian Protection	2018	13103 - New Venture Fund - The Enough Project	Compile dossiers and investigative materials composed of the documentation needed for sanctions, legal cases, and other actions by governments and financial institutions against the most significant actors.
Strengthen Civilian Protection	2018	13103 - New Venture Fund - The Enough Project	Convert investigations offering the greatest added value of public awareness and political pressure into public reports and media coverage.
Strengthen Civilian Protection	2018	13103 - New Venture Fund - The Enough Project	Identify and investigate the key networks and economic sectors responsible for violent kleptocracy, including the main financial, commercial, and political loopholes that enable illicit funds and goods fueling violent kleptocracy to move through the inte
Understand and Mitigate Risk	2019	13828 - New Venture Fund - Civilian Protection Opportunities Fund	Help increase the real-time, on-the-ground protection, recovery, rehabilitation, and thus the enhanced safety and well-being of civilians and communities in target areas
Understand and Mitigate Risk	2019	13953 - The Henry L. Stimson Center - Atrocity Prevention Study Group	Policymakers and practitioners responsible for preventing and responding to atrocities have access to timely and relevant atrocity prevention research, resources, and expertise.
Understand and Mitigate Risk	2019	13953 - The Henry L. Stimson Center - Atrocity Prevention Study Group	The APSG will broaden its outreach to policymakers, practitioners, and scholars.
Understand and Mitigate Risk	2019	13953 - The Henry L. Stimson Center - Atrocity Prevention Study Group	The APSG will consolidate and strengthen its institutional grounding within the Stimson Center.
Understand and Mitigate Risk	2019	13953 - The Henry L. Stimson Center - Atrocity Prevention Study Group	The APSG will more effectively target the priorities and interests of policymakers within U.S. government.
Understand and Mitigate Risk	2019	13954 - Protection Approaches - General Operating Support	Enhanced UK contributions to the prediction and prevention of, and responses to, from identity-based violence worldwide
Understand and Mitigate Risk	2019	13954 - Protection Approaches - General Operating Support	Improved prediction, prevention and responses to identity-based violence in the UK
Understand and Mitigate Risk	2019	13954 - Protection Approaches - General Operating Support	Improved uptake worldwide in Protection Approaches understanding of identity-based violence, reframing the responsibility to protect, methods, and recommendations
Understand and Mitigate Risk	2019	13954 - Protection Approaches - General Operating Support	Increased diversity and sustainability of organisational revenue streams

Theme	Year	Grant	Outcome
Understand and Mitigate Risk	2019	13954 - Protection Approaches - General Operating Support	Protection Approaches is a more established and professional organisation including improved administration and HR procedures, increased staff capacity, better frameworks to capture impact, and strengthened external reputation
Understand and Mitigate Risk	2019	13978 - The Graduate Center Foundation Inc - Global Centre for the Responsibility to Protect	International, regional and national actors acknowledge and respond to the risk of atrocities in particular country of situation.
Understand and Mitigate Risk	2019	13978 - The Graduate Center Foundation Inc - Global Centre for the Responsibility to Protect	National and international institutions and mechanisms that enhance capacity to prevent and respond to atrocities are strengthened. International networks of states committed to atrocity prevention engage in more collective action.
Understand and Mitigate Risk	2019	14178 - Peace Direct UK - Rapid and Flexible Funding to Strengthen Local Atrocity Prevention and Response	1. Peace Direct will establish an innovative and responsive grantmaking mechanism aimed at supporting local atrocity prevention and response efforts.
Understand and Mitigate Risk	2019	14178 - Peace Direct UK - Rapid and Flexible Funding to Strengthen Local Atrocity Prevention and Response	2. Local groups and organisations involved in atrocity prevention, response and peacebuilding efforts will be strengthened through greater networking, opportunities for collaboration, joint learning and strategizing.
Understand and Mitigate Risk	2019	14178 - Peace Direct UK - Rapid and Flexible Funding to Strengthen Local Atrocity Prevention and Response	3. Local groups and organisations involved in atrocity prevention, response and peacebuilding efforts will respond earlier to warning signs in their communities and will be able to test new and innovative approaches to atrocity prevention response
Understand and Mitigate Risk	2019	14178 - Peace Direct UK - Rapid and Flexible Funding to Strengthen Local Atrocity Prevention and Response	4. Policymakers and donors will be better informed about the risks of violence and potential atrocities and will have invested in the actions needed to tackle these risks.
Understand and Mitigate Risk	2019	14181 - Aegis Trust - Enhancing the Capacity to Address Mass Atrocities in East and Central Africa	1.A global partnership has been built for embedding Peace and Values-based curriculums and practices in schools and communities in East and Central Africa.
Understand and Mitigate Risk	2019	14181 - Aegis Trust - Enhancing the Capacity to Address Mass Atrocities in East and Central Africa	2.Civil society organisations, particularly those which are youth or women led, have been engaged and supported to a) design and implement their own prevention interventions, b) acquire and share learning, c) speak truth to power.
Understand and Mitigate Risk	2019	14181 - Aegis Trust - Enhancing the Capacity to Address Mass Atrocities in East and Central Africa	3.A global engagement programme has engaged international, national and local thought-leaders to support measures that lead to increased social cohesion and peace
Understand and Mitigate Risk	2019	14188 - NEO Philanthropy - Support for Thought Partnerships	Enhanced collective knowledge around the efficacy of Dangerous Speech interventions for violence prevention
Understand and Mitigate Risk	2019	14188 - NEO Philanthropy - Support for Thought Partnerships	Increased learning and collaboration among DS practitioners and experts across geographies
Understand and Mitigate Risk	2019	14188 - NEO Philanthropy - Support for Thought Partnerships	Increased sharing and utilization of Dangerous Speech tools and methodologies
Understand and Mitigate Risk	2019	14188 - NEO Philanthropy - Support for Thought Partnerships	Increased support to existing and new country-level Dangerous Speech Networks
Understand and Mitigate Risk	2018	13207 - Beyond Conflict - Decoding Dehumanization: Preventing Dehumanization through Neuroscience	BC co-creates 2-4 evidence-based, dehumanization-reducing interventions that have been designed and piloted with local partners
Understand and Mitigate Risk	2018	13207 - Beyond Conflict - Decoding Dehumanization: Preventing Dehumanization through Neuroscience	BC co-creates 2-4 practical dehumanization detection tools have been designed and piloted with local partners
Understand and Mitigate Risk	2018	13207 - Beyond Conflict - Decoding Dehumanization: Preventing Dehumanization through Neuroscience	BC produces written guide for using detection tools and interventions

Theme	Year	Grant	Outcome
Understand and Mitigate Risk	2017	12604 - Hopewell Fund - Over Zero	Selected strategic communication-based interventions to prevent violence and group-targeted harm become more effective through applied design methods, research, and best practices.
Understand and Mitigate Risk	2017	12604 - Hopewell Fund - Over Zero	There is increased interdisciplinary collaboration and a community of practice focused communication-based interventions to prevent group-targeted harm and violence.
Understand and Mitigate Risk	2017	12604 - Hopewell Fund - Over Zero	There is increased research-based knowledge of best practices and risks for communication-based interventions to prevent group-targeted harm and violence.
Understand and Mitigate Risk	2017	12604 - Hopewell Fund - Over Zero	There is increased understanding and application of project design methods, best practices, and risk mitigation strategies for using strategic communication-based approaches to prevent violence and group-targeted harm.
Understand and Mitigate Risk	2017	9574 - Peace Direct UK - General Operating Support	: Local organizations working in atrocity-prone countries will be better able to demonstrate their impact, replication potential, and cost effectiveness of their efforts to help prevent, mitigate, and rebuild after violent conflict or atrocities.
Understand and Mitigate Risk	2017	9574 - Peace Direct UK - General Operating Support	In at least four atrocity risk countries, selected partners will be better able to: (a) strengthen their early warning and early response capabilities; (b) prevent violent extremism; (c) reintegrate ex-combatants and other people at risk of joining armed
Understand and Mitigate Risk	2017	9574 - Peace Direct UK - General Operating Support	National and international policymakers, donors and other stakeholders will be better informed about the needs, capacities and realities of frontline civil society actors working in violent conflict situations and/or those at risk of atrocities, and will
